Up to 36	£10.30	£11.30	£15.80
37 or More	£21.30	£22.30	£32.05

Terms & Conditions

Our plants

We sell rooted fuchsia cuttings. These will vary in size, depending on the cultivar(s) you have chosen.

All plants are subject to availability. All plants leave us in excellent condition in packaging specially designed for postage. Cuttings are perishable goods. Please unpack promptly and provide suitable care. Assuming suitable delivery, unpacking, and care, they should produce superb plants.

Cuttings are usually delivered stopped. Please let us know if you require unstopped cuttings. We will do our best to supply, but cannot guarantee to.

We do our utmost to supply pest and disease free plants. However our plants are not guaranteed totally pest and disease free even though we believe them to be so. Should you find disease or pests on your plants at delivery, please let us know - **this is important to us.**

Visits to the nursery

We are a **mail order only** business and do not have premises suitable or insurable for public access at present. However order collection is welcome and can be arranged by appointment.

Ordering

There is no minimum order value or quantity. You do not have to order in multiples of 6. Your order can be any mix of cultivars. Orders accepted until 30 September 2017, after this date by prior arrangement only. You may cancel your order for cuttings at any time up to the point of despatch, but not after despatch. We reserve the right to cancel and refund an order at any time.

If you need plants by a certain date, please email or phone before ordering so that we can determine if we are able to supply in time. We will do our best to despatch orders within 30 days of ordering (subject to availability) but we cannot and do not guarantee this as we may have to propagate some for your order.

For orders within the UK, our liability shall be strictly limited to the value of goods and their delivery costs only. For orders outside the UK, orders are despatched at your risk. We cannot accept any liability for orders to non-UK destinations. Placing an order indicates your acceptance of these conditions.

Substitutions

We will no longer automatically provide substitutes of our choice should any of your chosen cultivars be unavailable, **unless you request us to. We recommend that you choose some acceptable substitutes.** You can do this on the order form overleaf.

If you have not chosen substitutes or specifically asked us to, we will issue a credit note to the value of the plant(s) unavailable.
